Filed: August 24, 2006

For: SYSTEM AND METHOD FOR PAYMENT RECEIPT USING 2D CODE

STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on
April 18, 2011:

REMARKS

During the Examiner's Interview of April 18, 2011, Applicants' representative discussed differences between the claimed invention of the independent claims 16, 17, and 18 over the cited art of record (Ronen, Jamison, and McNair). In particular, Applicants' representative argued that Ronen suggest a centralized billing platform that is used for billing transactions conducted between a user and an ISP. Accordingly, the centralized billing platform does not correspond to a payee or a payee server as set forth in the amended claims. Examiner indicated that further search and consideration is required.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

SUGHRUE MION, PLLC
